# Third-party cookies

For our applications to work correctly in your shop, third-party cookies are required in Google Chrome browser. Below are instructions on how to enable third-party cookies in your Google Chrome browser:
1. In Google Chrome browser, at the top right, click **More** ⋮ and then **Settings**.
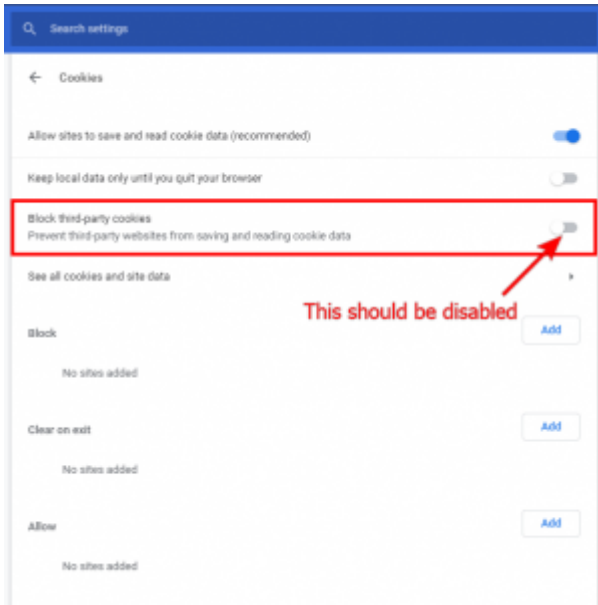

2. At the bottom click **Advanced**:

3. In the **Privacy adn Security** section, click **Content settings**:

4. Select **Cookies**:

5. Uncheck the box next to **Block third-party cookies and site data**:

6. Alternately, you can leave **Block third-party cookies and site data** checked and add *kad.systems* in the exception list:

```
[*.]kad.systems
```
