

# Manual installation

1. Add a snippet "*shopify-upsell-config.liquid*" with next code:

```
<script>
/* Upsell System App Config */
if (!window.ShopifyUpsellDevConfig) {
  window.ShopifyUpsellDevConfig = {
    "template": {{ template | json }},
    "cart": {{ cart | json }},
    "appName": "shopify_upsell_dev",
    "formSelector": 'form[action="/cart"]',
    "checkoutButtonSelector": '[type="submit"][name="checkout"]',
    "updateInputSelector": '[name^="updates["]',
    "productFormSelector": 'form[action="/cart/add"]',
    "addToCartSelector": '[type="submit"]',
    "variantInputSelector": '[name="id"], [name="id[]"]',
    "quantityInputSelector": '[name="quantity"]',
    "blockDefaultAddToCart": true,
    "redirectToCartAfterHide": true,
    "redirectToCheckoutAfterHide": true,
    "forceCheckoutRedirect": false,
    "baseUrl": '/a/shopify-upsell-dev-api/v1',
    "debug": false,
  };
}
</script>

{% include 'shopify-upsell-dev-data' %}
```

2. Add a snippet "*shopify-upsell-data.liquid*" with next code:

```
<script>
/* Upsell System App Data */
if (!window.ShopifyUpsellDevData) {
  window.ShopifyUpsellDevData = {
    settings:
{"enabled":true,"enabled_for_mobile":true,"popup_type":"flash","popup_trigger":"cart_page","popup_products_count":16,"popup_font_family":"Arial","popup_google_font":"","popup_title_color":"#637381","popup_title_size":24,"popup_background":"#ffffff","product_title_color":"#000000","product_title_size":16,"product_text_color":"#777777","product_text_size":16,"product_old_price_color":"#637381","product_old_price_size":16,"product_price_color":"#bf9f66","product_price_size":16,"buy_button_caption":"Add to cart","buy_button_color":"#ffffff","buy_button_background":"#919eab","discard_button_caption":"No, thanks","discard_button_color":"#777777","default_offer_message":"Special offer","default_success_message":"Success Message","offer_free_message":"Free","offer_discount_message":"You got N%
```

```
off!"}  
  };  
}  
</script>
```

3. In the theme template "*theme.liquid*" right before the closing tag "</head>" add the code to connect the snippet:

```
<!-- Snippet for Upsell System app -->  
{% include 'shopify-upsell-config' %}
```

If this does not work, please write to [support@kad.systems](mailto:support@kad.systems)
