

Upsell System

Installation

Install our application is very easy, you need to go to Shopify App Store, find our application and click "Add app". After completing these steps, our application will be ready to work.

Note, that you need to disable all similar applications before use.

Uninstallation

Just go into the app listing admin area of your Shopify store, then click on the trash icon. After the application is deleted, all changes made to it in your store will be canceled.
